On completing the academic and athletic year at Richard  
Montgomery High School

The Mayor and Council, City staff, and the citizens of Rockville applaud you for your many accomplishments during the 2009-2010 school year at Richard Montgomery High School. We hope your visit was as rewarding for you as you made it for your teachers, coaches, classmates and adopted family.

Visits such as this not only promote the wonderful relationship that exists between our two fine cities, but also foster fond memories and new friendships.

In support of our continuing active Sister City exchange program, we were delighted to call you a Rockville citizen this year and hope that you come back soon!
